INFORMATION LETTER

INTERNATIONAL SCIENTIFIC AND PRACTICAL CONFERENCE OF YOUNG
SCIENTISTS ON THE TOPIC "INTEGRATED PLANT PROTECTION SYSTEM:
STATE AND PROSPECTS"

December 9, 2022

Dear colleagues!

We invite you to take part in the **INTERNATIONAL SCIENTIFIC AND PRACTICAL CONFERENCE of YOUNG SCIENTISTS** on the topic "**Integrated plant protection system: state and prospects**", dedicated to the memory of Candidate of Agricultural Sciences, who was acting as Scientific Secretary Zhanarbekova Alma Bekbolatovna, which will be held on December 9, 2022 in Almaty, Republic of Kazakhstan.

Participation in the conference is an excellent opportunity to publish your scientific papers, contribute to the exchange of views on priority areas of scientific research, the development of innovations, and the popularization of science in the field of phytosanitary safety.

Bachelors, undergraduates, doctoral students, young scientists in the system of agro-industrial complex (AIC), as well as crop protection product registry companies are invited to participate in the conference.

Articles, posters and a list of exhibition materials are accepted until **November 25, 2022**. Participation in the conference and presentation of the article is **FREE**.

The format of the conference is online (by ZOOM) and **offline**. The link to the conference will be sent before the date of the conference.

The purpose of the conference is to publish scientific results prepared by young scientists on topical issues of modern science, exchange ideas and research experience. Development of creative activity of students, masters, doctoral students and scientists, their involvement in solving urgent problems.

Working languages of the conference: **Kazakh, Russian, English**.

Conference sections:

- ✓ *Ecologized methods of pest control.*
- ✓ *Biological protection of agricultural crops and forest: status and prospects.*
- ✓ *Innovative technologies and modern solutions in plant protection and quarantine.*
- ✓ *Pesticides and their safe use in the system of integrated crop protection from pests.*

The application for participation in the conference and the materials of the article prepared according to the requirements must be sent to the email address info@niizkr.kz

The official invitation to the conference, the address and the program will be sent in accordance with the registration application of the participant.

Travel and accommodation: the cost of travel and accommodation expenses are carried out at the expense of the conference participants.
